For natural resource professionals, conservation enthusiasts, and interested landowners.

Stabilizing the Streambank

Wednesday, May 19th | 9:00am—2:00pm

Join PSCW for this special workshop on streambank restoration! Led by Dr. Chris Haring, this workshop will include an online introduction to erosion and control practices in the morning, followed by an afternoon of field visits to see erosion control in action.

This workshop is FREE to attend.
Email info@partnersofscottcountywatersheds.org to register today!
